The screenshot displays a Trello board interface for a project named "EDSA - Integrated Project". The board is organized into three main columns: "Project Items", "In Progress", and "Complete".

- Project Items:** Contains one card titled "Data Update and Review" with a status of "NN".
- In Progress:** Contains one card titled "Data Update and Review" with a status of "NN".
- Complete:** Contains four cards: "Problem statement" (status "NN"), "Project Landscape" (status "NN"), "Data cleansing" (status "NN"), and "Exploratory Data Analysis" (status "NN").

The board is part of a workspace named "nursen.naidoo's workspace". The interface includes a sidebar with navigation options like "Boards", "Members", "Workspace settings", "Workspace views", and "Your boards". The top navigation bar shows the Trello logo, workspace name, and various filters and settings. The background of the board is a scenic image of a forest with a small building.
